

Fast Pass Check-In

If everything on your Move-in Checklist is completed on or before **August 7, 2015**, CONGRATULATIONS! You qualify for our Fast Pass “Drive-Thru” Check-In. That means all you have to do is drive up to our check-in station and pick up your keys – simple as that!

There’s a chance that even though you qualify for Fast Pass Check-in, you may still have a wait time to check in since there could potentially be a lot of other “*Fast Passers*” arriving at the same time as you. The good news is that once you drive up to our Fast Pass check-in station we’ll have your keys in a jiffy since there’s **no paperwork to complete and no payments to collect!**
