

MOVE-IN details

Move-in is just around the corner and we are so excited to welcome you to **YOUR NEW HOME!** Please carefully read through this information to help your move-in go as smoothly as possible.

Move-In Day, Hooray!

August 17, 2019
9AM – 5PM

There will be directional signage, as well as staff members available to assist you in locating your designated check-in area.

Every year, our eager early birds arrive well before we kick off move-in, so make sure to keep that in mind. Lines start forming early and can lead to congestion and extended wait times. If you can wait until the afternoon to check in, you may be able to avoid the morning rush.

Also, out of respect to those in line ahead of you, please do not attempt to enter the property before your turn in line once the gates open at 9AM.

Move-In Checklist

ALL of the following items must be completed before you move in. If any of these items are incomplete, you **will not** be able to receive your keys until it is resolved.

 - Applicable Addenda Signed

- \$0 Balance**

***** For Fast Pass Check-in eligibility, ALL checklist items must be completed no later than August 7th, 2019. See page 2 for Fast Pass Check-In details.**

Fast Pass Check-In

If everything on your Move-in Checklist is completed on or before August 7, 2019, CONGRATULATIONS! You qualify for our Fast Pass “Drive-Thru” Check-In. That means all you have to do is drive up to our check-in station and pick up your keys – simple as that!

But remember those early birds we talked about? There’s a chance that even though you qualify for Fast Pass Check-in, you may still have a wait time to check in since there may be a lot of other “Fast Passers” arriving at the same time as you.

But the good news is that once you drive up to our check-in station we’ll have your keys in a jiffy because as a “Fast Pass” resident, there’s no paperwork to complete and no payments to collect!

Rent Installments

Your first rent installment will be for August, and is due on or before August 1, 2019.

Your lease payments are divided into 12 equal installments. Every month rent is due on the 1st of the month. We do offer (5) days of grace period in case you forget to get it in on the 1st, but as of the 6th of the month, rent will be considered late and a late fee will be charged. Unpaid late rent accrues additional fees until it is paid in full, so make sure to remember: DUE on the 1st, LATE on the 6th.

All rent payments must be submitted online through your Resident Portal account. [Click here to view a step-by-step guide.](#)

Through your resident portal you have access to **ResidentInsure**, which is a third-party insurance provider that specializes in renter’s insurance.

- They offer plans that meet the criteria in STEP 1
- Their service is linked directly to your portal so you can skip STEP 2 because they’ll upload it for you
- Once enrolled the plan will remain active until the end of your lease, so there’s STEP 3.

From getting a quote to enrolling in the plan of your choice, **the whole process is 100% online.**

Renter’s Insurance

Renter’s insurance is required to move-in and for the duration of your lease. But don’t worry we’re here to guide you through the process! **Renter’s insurance is a requirement to receive your keys at move-in.**

STEP 1: MAKE SURE YOUR INSURANCE MEETS THIS CRITERIA:

- Lists your name
- Minimum \$100,000 liability coverage
- Minimum \$10,000 personal content coverage
- Coverage for your specific address at Aspen (unit + bed space)
- Coverage dates that coincide with your lease term dates
- Aspen Charlotte listed as an additional interested party (contact email clearinghouse@residentinsure.com)**

STEP 2: UPLOAD YOUR POLICY TO YOUR PORTAL. Once you have acquired a policy that meets the criteria, you’ll need to upload a digital copy to your resident portal. Click [here](#) for step-by-step instructions. The document you upload will need to include all of the items in the list above. Typically, a declarations page contains all of the information, but you may need additional documentation.

STEP 3: KEEP YOUR POLICY ACTIVE. For the duration of your lease, you’ll need to have your renter’s insurance policy active. If at any time during your lease your policy “defaults,” it will result in automatic enrollment in a liability only policy. You will be responsible for a monthly fee if enrolled in this policy. This is not recommended as an alternative to renter’s insurance as it provides the bare minimum and does not extend coverage to your personal property. Once enrolled, you will remain in this program for the remainder of your lease term.

SKIP THE STEPS

Simple Bills

Simple Bills is a roommate utility billing service that splits utility bills between roommates and is used at Aspen for utility bill payment. Each month, Simple Bills will invoice you for only your portion of the utilities and allow you to view and pay your utility bill online.

Be on the lookout for an email from Simple Bills with your username/password, which you will use to enroll at SimpleBills.com. This is a move-in requirement (see checklist.) Make sure to get your Simple Bills account set up before Move-In Day.

Pets

If you are planning on bringing a pet, please keep in mind the following requirements must be met prior to your furry friend moving in:

- Notify Aspen Charlotte management team you are interested in bringing a pet. We will need to ensure your roommate placement is ok with a furry friend.
- Completed Animal Addendum approved by management on file
- Roommate Animal Addendum signed by ALL roommates on file
- Non-refundable pet fee of \$250 PAID
- Refundable pet deposit of \$250 PAID (1 deposit + 1 pet fee per pet is required.)

***Pet deposit + fee not required for our two-winged friends, just the four-legged ones.**
